## Possessive adjectives

- Possessive adjectives** show ownership or relationships between people. They are placed before the noun.

Owner		Owner	
yo	<b>mi</b> libro	nosotros(as)	<b>nuestro</b> libro/ <b>nuestra</b> casa
	<b>mis</b> libros		<b>nuestros</b> libros/ <b>nuestras</b> casas
tú	<b>tu</b> libro	vosotros(as)	<b>vuestro</b> libro/ <b>vuestra</b> casa
	<b>tus</b> libros		<b>vuestros</b> libros/ <b>vuestras</b> casas
usted	} <b>su</b> libro <b>sus</b> libros	ustedes	} <b>su</b> libro <b>sus</b> libros
él		ellos	
ella		ellas	

## Gender and number agreement

- While possessive adjectives refer to the owner, their form agrees in gender and number with the noun that comes after them.

## Su and sus

- **Su** and **sus** can take the place of a phrase with **de + person**.

¿De dónde es la madre **de Juan**? **Su** madre es de Puebla.
