

### Spanish 2 Writing Final Exam:

Write an essay or letter to an acquaintance that includes the following:  
Describe yourself and your friends and family. Write about your daily routine and/or your friends or family's routine Write about what you do to maintain good health (use at least 5 reflexives). Write about a time during which you got sick or got hurt (use preterite and reflexives). Give advice to your reader about how to maintain good health (use at least 3 informal commands, including at least one positive and one negative).

In the next paragraph, write about a shopping trip you've taken in the past. Include clothing vocabulary. Write about what you purchased, and what it cost. Talk about how the clothes you bought fit. Use the preterite in this paragraph.

In the next paragraph, write about a past holiday celebration, or about a travel experience. With whom did you celebrate? Or with whom did you travel? How was it? (Use preterite). Close your essay or your letter by writing about your future holiday or travel plans. (use "voy a" or future tense).
