- Direct object pronouns
- Affirmative informal commands with pronouns

Direct object pronouns

- You know that the **direct object pronoun** goes immediately before the conjugated verb.
- It can also be attached to the end of an infinitive.

¿Siempre preparas **la cena**?

No, no **la** preparo siempre, pero hoy sí voy a prepararla**la** .

Affirmative informal commands with pronouns

- When you use a **pronoun** with an affirmative informal command, attach it to the end of the verb.
- Add an accent to the stressed vowel of the verb, unless the verb is only one syllable long.

¿Preparo **la carne**?

Sí, prepárala.

¿Pongo **los vasos** en la mesa?

Sí, ponlos allí.
